Quick Start

1. **Download the Ring app.**
   The Ring app walks you through setting up and managing your Wall Light Solar.

2. **Set up and install your Ring Bridge.**
   Your Bridge connects your Wall Light Solar to the Ring app.

3. **Open the Ring app and tap Set Up a Device.**
   Select **Smart Lighting** and scan this QR code. Then, just follow the in-app instructions to install and set up this device.

Installation

Wall Anchors
Use if installing on brick or stucco.

USB Charging Cable
Use this to charge your Wall Light before you install it.
When the lights stop flashing and remain on, your Wall Light
is ready to install.
